MARIANNETTE MILLER-MEEKS, M.D.
1ST DISTRICT, IOWA

Congress of the United States
House of Representatives
Washington, DC 20515

February 24, 2026

Dear Mr. Deaton,

Thank you for contacting me to express your opposition to President Donald Trump and his agenda. Views from fellow Iowans help inform and guide me in Congress, so I greatly appreciate your insight and opinion.

As your Congresswoman, I have always pledged to be a vocal leader on the issues that my constituents care about, regardless of the administration. Whether that be supporting our farmers, advocating for key healthcare reforms, or fighting for our nation's heroic veterans, I am committed to ensuring Iowa's 1st Congressional District has a fearless advocate in Congress.

As a veteran, doctor, and public servant, I have long understood the need to work across the aisle for Iowans. In the 119th Congress, that has remained unchanged. Since the beginning of this Congress, I have introduced or co-sponsored over 50 bipartisan resolutions and bills.

The bottom line is that no matter who occupies the White House, my dedication to serve you and advocate for what you care about in Congress remains unwavering.

If there is anything I can do to be of assistance, or if you would like to receive my e-newsletter, please visit MillerMeeks.house.gov. You can also follow me on Facebook at facebook.com/RepMMM and on Twitter @RepMMM. Again, I thank you for your opinion and look forward to serving you. Please do not hesitate to contact my office in the future.

Sincerely,

Mariannette Miller-Meeks, M.D.
Member of Congress
